TEACHING EXPERIENCE

Private Language Tutor | *Online / In-person, Spain*

Chinese as a Foreign Language - One-to-One Lessons

- Teach Mandarin Chinese to international learners, mainly at beginner and intermediate levels.
- Use English and Spanish as support languages when students need additional explanations.
- Help students with Pinyin, tones, pronunciation, everyday vocabulary, basic grammar and practical conversation.
- Prepare personalised materials and adjust lesson pace according to each student's progress and goals.

English for Children - One-to-One Lessons

- Provide individual English lessons for young learners.
- Practise basic vocabulary, pronunciation, listening and everyday conversation.
- Use simple exercises, pictures, games and interactive activities suited to the child's age and level.
